Narrative

Employees involved: Security Supervisor Larry Stemwell, #12938, and Security Officer Matt Thompson, #12614.

On Friday, February 12, 2011, at approximately 1315 hours, Security Supervisor Larry Stemwell, #12938, radioed informing me that there were two patrons in the Security Office that wished to be permanently banned from the casino. I responded to that location, and found Supervisor Stemwell and Security Officer Matt Thompson, #12614, speaking with the guests in Spanish. Translating for me they reported that the guest's names were Saul Moreno and Corey Saloman.

Both men claimed that they were undergoing financial hardship due to their gambling habits, and wanted to ban themselves. I inquired as to whether they had taken this action at other casinos in the valley, and was told that they had, except for one. After their stop at Chookachoo, they planned to make their way to Bearded Eagle, to complete their cycle.

Supervisor Stemwell completed the necessary trespassing forms and both men signed them willingly. It was explained to them that the ban would be permanent, and would include all tribal property. They claimed to understand the provision of the exemption. Officer Thompson escorted Mr. Moreno and Mr. Saloman to the west parking lot. They drove off property at approximately 1333 hours.

A search of the database revealed no previous contact with either man.

Surveillance: Day shift. DVRs 3-13 and 5-5.
